What to expect at your COVID-19 vaccination appointment

Vaccines are safe and effective. Everyone 5 years and older is now eligible to get a free COVID-19 vaccination.

You and your vaccination providers will need to wear masks that cover your nose and mouth.

At your appointment, you should get:

A vaccination card marked with when and where you received it.

A paper or electronic COVID-19 vaccine fact sheet with important information about your COVID-19 vaccine.

Register for v-safe, the after-vaccination health checker at vsafe.cdc.gov

Get free health check-ins and reminders when it's time for your next dose and booster shot.
